

2012-
2015

In Broward County every year, several hundred children enter the child welfare system due to abuse, abandonment or neglect. As the local Community Based Care lead agency, ChildNet manages the local system of services and supports for Broward's most vulnerable children. Our mission is to protect the abused, abandoned and neglected children in the communities we serve.

Strategic Plan 2012-2015

STRATEGIC PLAN 2012-15

GOAL 1: ChildNet will be in the top quartile in each of the statewide quality measures while maintaining the safety, permanence, and well-being of the children we serve.

- ChildNet shall rank in the top five (5) or better on each of the indicators on the scorecard developed by the Department of Children and Families (DCF).
- ChildNet shall meet or exceed all DCF contracted outcome measures.

GOAL 2: ChildNet will continue to develop and leverage existing technology to improve efficiencies.

- ChildNet will be the national leader in the utilization and innovation of technologies in the child welfare arena.
- ChildNet will ensure seamless forward and backward integration of technology services with its community stakeholders.

GOAL 3: ChildNet will seek diversification of funding streams to enable ongoing and improved financial stability.

- ChildNet will develop a management / business line that capitalizes on the agency's existing and developing expertise.
- ChildNet will identify opportunities for strategic expansion that would enable best fulfillment of its mission.
- ChildNet will develop independent business units for improved utilization of service delivery and support.

GOAL 4: In addition to the aforementioned goals, ChildNet will maintain the ongoing sustainability of community-based care with ChildNet's ability to effectively and efficiently serve as the lead agency through the state contract for the communities we serve.

- ChildNet will strengthen and maintain community connections and stakeholder relationships.
- ChildNet will improve advocacy outreach to ensure the best opportunities are available to our stakeholders in achievement of its mission.
