Request for Expression of Interest for Independent Living Services for Young Adults in Broward County

A. AUTHORITY

ChildNet, Inc. has been chosen by the Florida Department of Children and Families to serve as the Community Based Care (CBC) lead agency in both Broward and Palm Beach Counties. As such, it is the single private non-profit entity responsible for administration of the local child welfare systems in each county. It fulfills this responsibility by managing comprehensive networks of child welfare services providers. The agency's mission is to lead communities in protecting and serving abused, and neglected children by supporting and strengthening their families. Fulfillment of this mission requires input and support from community stakeholders and services providers.

B. OVERVIEW

Chapter 409.988(1)(j)2, Florida Statutes states that the lead agency "Shall directly provide no more than 35 percent of all child welfare services provided unless it can demonstrate a need within the lead agency's geographic service area where there is a lack of qualified providers available to perform necessary services. The approval period for an exemption to exceed the 35 percent threshold is limited to 1 year. To receive approval, the lead agency must create and submit to the department through the lead agency's local community alliance a detailed report of all efforts to recruit a qualified provider to perform the necessary services in that geographic service area."

To comply with this statute as ChildNet's current exemption nears its completion, we are seeking interest from organizations to provide Independent Living Services to young adults ages 18-23 who were formerly in foster care and under the jurisdiction of Circuit 17, (regardless of the location of their current address) and are eligible for Independent Living Services in accordance with Section 409.1451, Florida Statutes. Independent living transition services are administered to young adults who are eligible for the Post-Secondary Educational Support Services (PESS) Program, Aftercare Services, and/or young adult interested in re-entering the Extended Foster Care (EFC) and/or PESS Program(s). Independent living services provide a continuum of tangible and intangible skills and knowledge that young adults must have to be successful. The emphasis of this program is on providing resources, training, guidance, support, and ongoing assessments to assist young adults with developing the necessary skills to be self-sufficient.

- Aftercare Support Services. Services intended to assist young adults formerly in foster care in their efforts in developing the skills and abilities necessary for independent living. These services specifically include mentoring and tutoring, mental health services and substance abuse counseling, life skills classes, including credit management and preventive health activities, parenting classes, job and career skills training, counselor consultations, financial literacy skills training, and temporary financial assistance. Temporary financial assistance to prevent homelessness should be considered emergency assistance and should be provided as expeditiously as possible.
- Post-Secondary Education Services and Support. An educational based stipend available to eligible young adults who have reached 18 years of age but are not yet 23, have received

their high school diploma or equivalent and are enrolled full time (9 credit hours) in a college, university, or vocational school.

- Community Resource Navigation: Identify a single-point-of contact who will be recognized as the community resource navigator responsible for assisting EFC, PESS, and Aftercare young adults in maximizing utilization of available community resources to assist young adults in areas that includes, but is not limited to:
 - Medicaid/Sunshine Health
 - Medical and dental services
 - Food stamps/food banks
 - Public transportation
 - Transportation
 - Housing
 - Community partnerships with mental health providers
 - Education system
- Life Skills Coaching and Training: Provide a recurring curriculum for EFC, PESS, and aftercare young adults that is delivered in multiple formats (virtual, in-person, group or individual sessions) that includes, but is not limited to:
 - Money management
 - Grocery shopping and food storage
 - Cooking - meal prep, storage of leftovers
 - Cleaning - Laundry, home and bathroom cleaning
 - Storage of important documents (e.g., birth certificates, court documents, car documents, etc.)
 - Internet/online safety
 - Health – doctor, dentist, medication management
 - Keys to Independence
 - Self-Care

Please note that this Request for Expression of Interest (REOI) is for informational purposes only, and no contract will be awarded as a result. A firm or organization's response to this REOI—or lack thereof—will have no impact on the evaluation of responses to any subsequent solicitations, i.e., Request for Proposals (RFP) or Invitation to Bid (ITB) released. Responses will be used solely for information and planning purposes. Also, all responses will be public record. Do not submit confidential information in your response.

The deadline for submission of interest is 3:00 p.m., August 20, 2026, and must be provided in accordance with Attachment #1.

C. STATEMENT OF PURPOSE AND OUTCOME MEASURES

As part of this REOI, parties of interest should have or be able to demonstrate the capacity to fulfill ChildNet's minimum requirements for Independent Living Services for Young Adults and invite eligible organizations to indicate their interest in providing Independent Living Services for Young Adults. Interested organizations should provide information demonstrating that they have the required qualifications and relevant experience to perform the services and meet the following outcome measures.

- 99.5% of young adults contacted a minimum of once per month via phone call, emails, text message, office visit, home visit or field visit. (Text messaging is not the only acceptable form of monthly contact.) A minimum of 2 attempted contacts notes in FSFN will meet the standard even if youth does not respond.
- 100% of all PESS/EFC young adults served will have a current Independent Living Module update in FSFN
- 90% of all Aftercare young adults served will have a current Independent Living Module update in FSFN
- 90% of young adults surveyed, ages eighteen (18) and older, who are not receiving EFC services but are on PESS or are eligible for services and have opted out, will indicate satisfaction with the services received
- 99.5% of PESS young adults served are attending an approved post-secondary educational institution full-time (9 credit hours)
- 100% of eligible young adults applying for Extended Foster Care will have a staffing with ChildNet
